

Tuolumne County Amateur Radio & Electronics Society

MEMBERSHIP FORM

RENEWAL NEW MEMBERSHIP CONTACT UPDATE

TCARES membership is open to all licensed Amateur Radio Operators. As a member of TCARES, your dues help support a variety of club activities. Membership fees provide for maintenance fees for the club repeaters across the county. Funds are also used to support TCARES' portable communication gear and pay for printing and the club marketing materials. In addition, your dues help TCARES provide emergency service training, education and testing for license upgrading and community service. Members joining as a new member in April, May or June, may skip the annual dues payment due on July 1. New hams that pass an ARRL Ham test hosted by TCARES are granted free membership for the current year.

..... \$30.00 per year per household membership dues are due on July 1.....
